Book Reviews
Each article in this issue has been allocated keywords from the Legal Taxonomy utilised by Sweet & Maxwell to provide a standardised way of describing legal concepts. These keywords are identical to those used in Westlaw UK and have been used for many years in other publications such as Legal Journals Index. The keywords provide a means of identifying similar concepts in other Sweet & Maxwell publications to which keywords from the Legal Taxonomy have been applied. Keywords will follow the taxonomy logo at the beginning of each article. Suggestions to sweetandmaxwell.taxonomy@thomson.com.
